iPhone guard
premium iPhone 3G protection film.

A simple, yet effective protector for your iPhone 3G screen's surface. The all new premium-coated iPhone 3G guard has a scratch-resistant surface, offering more durable and longer lasting protection. Covers entire front screen of your iPhone 3G. Guard can be left on even if an additional case is fitted. Installation instructions included. Easy to remove without leaving any residue behind.
Includes 2 x iPhone screen guards per pack.

Features:

Invisible protection.
The iPhone 3G guard fits seamlessly onto the front of your iPhone 3G screen forming an invisible, protective layer. Your iPhone 3G guard can be left on even if an additional case is fitted.

Easy to fit.
iPhone 3G guard comes with comprehensive, photographed installation instructions to help you get the perfect fit for your iPhone's screen.

Scratch resistant.
iPhone's touch screen interface is constantly being touched and used, making iPhone 3G guards a must have for all iPhone 3G users. Made from premium scratch resistant film, the guard will protect and allow a long life of clear viewing for your iPhone's screen.
